

# Search Widget

The localsolution.com search widget allows users to perform a search inquiry that **leads the user** directly to the listing results. The widget can be placed on any website and helps **build brand recognition, valuable link backs**, and also **creates more exposure**. The Widget Wizard tool enables you to create a “search box” to embed on any HTML web page and can be found at [www.localsolutionwidget.com](http://www.localsolutionwidget.com).

The screenshot shows the 'SEARCH WIDGET WIZARD' interface. It includes a header with the 'localsolution.com' logo and a yellow background with silhouettes of people. The main area contains five numbered steps: 1. Enter Your Website: (input: yoursite.com), 2. Enter Default City, State (optional): (input: City, State), 3. Choose Widget Size: (dropdown: Small Rectangle (195x165)), 4. Choose Default Search: (dropdown: Business Search), 5. Copy the text in the box below to place on your site: (code block containing an iframe snippet). Below the steps is a 'Preview' section with a text input for a background color and a preview of the search widget. The preview shows a dark-themed widget with the 'localsolution.com' logo, radio buttons for 'Business' and 'People', a 'Category' input, a 'City, State' input, and a 'Search' button. At the bottom, there is a navigation bar with links: BUSINESS SEARCH | PEOPLE SEARCH | REVERSE LOOKUP | MAP SEARCH | DIRECTORY | ADVERTISE | ABOUT US | FEATURES | PRIVACY POLICY | TERMS OF SERVICE.

Multiple widget sizes are available.

The Widget Wizard can be found at [www.localsolutionwidget.com](http://www.localsolutionwidget.com).
